## Play Online for Masterpoints

Meet new players or play with your favorite partner from the comfort of your own home virtually any time day or night. Fees vary by site. Directors certified by the ACBL or international bridge organizations run all games. Sites also offer features such as lessons, free social rooms, partnerships and more. Most games are a quick 12 boards. More than 17,000 tables of ACBL-sanctioned games now are in play online monthly.

The online clubs provide their own online and telephone help. Please contact the site directly if you need assistance. Click on the site logo to access the free download for the site at which you wish to play.

Nearly 20 ACBL-sanctioned games daily, including 299er game and individual and open games.

### Practice Your Play

MiniBridge is bridge without the bidding. It's a great game to introduce youth to or to practice your play. A free MiniBridge program is available from Blue Chip Bridge. [Click here](#) to download.
