

4-Card Transfer-Oriented Canapé Symmetric Relay System

Known also as TOSR

By Mr. Daniel Neill and Mr. Josh Sher

6.1 No Trump Opening

1 NT opener in 1/2 seats is 11-14 Non-Vulnerable, 11(+)-14 Vulnerable. 3/4 seats are 2 points higher: 13-16 and 13(+)-16 respectively.

Structure

For all No Trumps, and 1 NT rebids, see the Keri NT Structure, by Ron Klinger.

After Interference

Over two-level natural bids, X is takeout (2 NT is scramble by opener) and Transfer Lebensohl is on. At the 3-level, X is takeout and new suits are forcing for one round.

Over a penalty X, DONT is played (XX is one-suiter, bid is suit and higher).

Over an artificial X or unanchored 2 \square , systems are on.

Over an unanchored 2 \square or higher, X is cards, else Transfer Lebensohl.

Over a single-anchored artificial bid, the 2-level cue is a weak takeout, else Transfer Lebensohl.

Over 2 \square or 2 \square showing the Majors, Unusual vs. Unusual are the cues, and 2 NT is both Minors.
